

2018 Application for CWPIP Funds

The Evergreen Fire Protection District will offer funds for CWPIP projects for 2018. The amount is capped at \$1,000.00 per application. EFR has a total of \$6000.00 for 2018. All work must be completed during 2018. All funds must be used in full with receipts or checks to show work completed. Any leftover funds must be refunded back to Evergreen Fire within the allotted time frame or calendar year.

Each application will be reviewed for approval/denial. Approved applications will require follow up to ensure the work has been completed in the calendar year by EFR. The application period will close August 20th, 2018.
