

Full Time Fire Inspector

Evergreen Fire Rescue is currently looking for a regular, full time Fire Inspector. This position is responsible for conducting scheduled inspections, detection of safety hazards and identification of corrective action to assure compliance with the safety standards of the Fire District.

Hiring salary range: Entry Level: \$45,475-\$57,800 annually
 Preferred qualifications: \$53,500-\$68,000 annually

Qualified applicants should have experience and/or training in the following requirements:

- Schedule and perform inspections of commercial, residential and educational properties and buildings in a timely manner and in accordance with organization standards. These inspections may be inside or outside a structure dealing with code enforcement, access/egress, Wildland and life safety issues.
- Prepare and issue correction notices to building owners for violations of codes, including coordinating follow up inspections.
- Ensure and maintain the continual update of fire inspection data entry in the Emergency Reporting system in support of the fire codes and amendments as adopted by the Fire Protection District.
- Assist with fire investigations under the direction of the Fire Marshal as needed.

Qualified applicants must meet the following requirements:

- High school graduate or equivalent
- Colorado or equivalent certification as:
 - Fire Inspector 1 (ICC) or within 60 days
 - ICC Fire Inspector II within 6 months
 - ICC Fire Plans Examiner within 12 months
 - Fire and Explosives Investigations within 18 months
 - ICS 100,200,700, 800

Preferred Education and Experience

- Associates or Bachelor's degree in Fire Science or related field
- 1 – 2 years of experience
- CO Fire Suppression System Inspector – Plans Reviewer
- Fire Investigator (IAAI or NAFI)
- Fire and Life Safety Educator
- Wildland Fire Mitigation experience
- Hazmat Operations or higher
