

# EVERGREEN METRO DISTRICT LEVEL 2 DROUGHT

## Drought Response Level #2

- Watering zones should operate for irrigation no more than 30 minutes per zone per watering day.
- Golf courses will be required to reduce their irrigation use by 30%.
- All irrigation taps serving public parks and ball fields will be asked to go to three-day per week irrigation watering, and reduce their water usage by 30%.
- All outside watering will be required to occur before 10:00 am and after 6:00 pm, unless maintenance of the irrigation system is involved.
- Water rate penalties will go into effect for irrigation tap users that ignore the cutback request.
- Penalties will be waived for the first time offenders; however 2<sup>nd</sup> offenses will incur a \$50 fine and a \$100 fine for subsequent offenses.
- Irrigation taps will be limited to water use of 14,000 gallons per month per equivalent tap and all water used at and above that amount could be billed with a drought penalty rate
- All water haulers using the pay station will be limited to hauling for indoor use only. No hauling for irrigation purposes will be allowed.

We appreciate your understanding and cooperation.
